Dear Students,

Welcome to Evangel Temple College! I'm thrilled to have you here and excited for what God is going to do in the next several months for each of you. As we launch into this year, I want to share with you six words to keep in mind as you move forward:

**Treasure.** You are a gift to Evangel Temple College! I know that you have been blessed with unique gifts, talents, and abilities, but there is no greater gift to me than simply YOU, and your presence. As a gift, the Evangel Temple College team and I will treasure you, and diligently work to make your time with us worthy of your investment.

**Family.** Evangel Temple College is more than a school, campus, or educational facility...we are family. A family takes care of one another, sacrificing for the common good. The family is God's ordained institution for individuals to be trained for Kingdom impact. We value every generation and take pride in our multi- generational community. As a treasured member of the Evangel Temple College family, I will do my best to help you always feel welcome and at home. Know that you are supported and prayed for. I believe in you!

**Strength.** When reading Psalm 139, it is amazing to see the care in detail that God took to create each individual on the planet. Each person is granted a unique threshold of talents to be developed into strengths. This year I want to highlight those strengths that God imbedded in you and provide you with learning experiences to utilize them further for the Kingdom of God.

**Mission.** Along with special strengths, God also has a mission that is unique to your wiring. As you grow here at Evangel Temple College, I believe that God will reveal to you the steps that will lead you in what God has called you to do. That may entail a class assignment, a role in one of our big events, or a five-minute conversation with a person in need. My goal this year is to help you clear the clutter from your life so that you can see your mission and accomplish it unencumbered.

**Investment.** You must look at your life as an investment of time, effort, and money. It is critical that you see that every experience, risk, and victory is an opportunity for growth. Prepare to work hard and accept that leadership maturity does not come without challenge.

**Celebration.** Learning should be a celebration, not an obligation. Though you will work hard this year, I want you to have an enjoyable time growing as an individual. It is my promise to you that I will do my best to set you up for great memories!

I am excited to partner with you on a dynamic journey that will equip you with the discipline and education to launch the potential God has placed inside of you. Know that the Evangel Temple College team is here to support you with prayer and encouragement as you grow as a leader!

Sincerely,

Laura Bullock  
Evangel Temple College Director

### **Mind**

A leader's mindset determines how he or she acts and responds to different situations. Evangel Temple College will provide students with knowledge of God's Word and leadership principles. In addition, students will have the opportunity to experience new paradigms in thinking.

As the students navigate through their leadership development, it is expected that they will experience new discoveries about themselves, Evangel Temple, and leadership in both ministry and vocation.

### **Body**

Leaders understand that physical fitness is critical to their ability to function in the highest capacity of their vocation. This is no exception in ministry leadership where the demands of the profession can take a toll on the mind, body, and spirit. Evangel Temple College has the following physical expectations of each student:

- Commit to at least three 30 minute workouts per week.
- Dress neat and casual for class, chapel, and weekly services
- Maintain a healthy diet
- Be disciplined about times of rest

Proverbs 4:23 says that the heart (or spirit) is the wellspring of life. It is the leader's duty to cultivate a mature relationship with God.

Evangel Temple College advises each student to do the following:

- Attend church
- Maintain daily personal devotions
- Establish accountability practices

- Find a member of the same sex to act as your accountability partner

## **Evangel Temple College Covenant**

Whereas membership in a local church is predicated upon membership in the body of Christ, leadership in the local church is based upon biblical qualifications, personal character, and commitment. The Bible mandates a higher standard for those who lead in the body of Christ (1 Tim 3:1-13; Titus 1:5-9). I understand that, as a leader, I will lay down some liberties so as not to be a stumbling block to anyone (Rom 14:1-23; 15:1-7).

The Evangel Temple Leadership Team, Evangel Temple College Practicum students, and those who are deemed ministry leaders by the Executive Team Members and the Lead Pastor will sign the Evangel Temple leadership covenant.

As a leader in the Evangel Temple family, I commit myself to God and to the body of Christ to be an example in the following areas:

- I agree to daily cultivate an intimate relationship with God through prayer, Bible study, and a lifestyle of worship (Rom 12:1-2).
- I agree to faithfully attend and serve at Evangel Temple's or my home church service on Sunday's and Wednesday's.
- I agree to support all ministries of the church in word, attitude, with my talents, treasure, and in regular prayer.
- I agree to give my loyalty and every effort to promote and maintain the unity of the church in all matters supporting the Lead Pastor and all church leadership (Eph 4:1-16).
- I agree to respect and honor my Evangel Temple leadership with my attitude, speech, and conduct.

- I agree to abstain from the use of tobacco products, vaping, alcohol as a beverage, and from drugs, except for medicinal purposes.
- I agree not to attend nightclubs or entertainment venues where entrance requires one to be 18 or 21 years of age.
- I agree to abstain from watching “R” rated movies, “MA” TV shows, playing “M” rated games, or anything equivalent to adult content.
- I agree to abstain from any immoral sexual behavior.
- I agree to protect my integrity by avoiding theft of intellectual property, i.e. plagiarizing or cheating on assignments or examinations.
- I agree to prepare myself for class and ministry each day.
- I agree to dress in a manner that would be biblical and would not cause my brother or sister, in Christ, to stumble.
- I agree to protect my integrity, the integrity of ETAG, and Evangel Temple College by what I communicate via social media and whom I choose to follow.

## **Evangel Temple College Attendance Policy**

Attendance is more than just showing up; it means arriving early and contributing to the venue at hand. We encourage all Evangel Temple College students to think beyond just arriving on time, and set the bar high and to be first to arrive. Early arrival allows for the student to be mentally, emotionally, and spiritually prepared for the assignment. In addition, consistent attendance is the universal sign of commitment.

**Learning is limited if attendance is sporadic.** Whether in practicums, chapels, or required events, the student who is consistently present has a greater opportunity to grow in his or her knowledge of leadership.

### **Academic Attendance**

- Each professor establishes his or her attendance policy within the course syllabus.
- Faculty may approve exemptions to the absence maximum in the case of an extended illness when the attending physician documents the illness or when a family emergency arises.

## **How to talk like an Evangel Temple College student**

**ETAG:** An abbreviation for Evangel Temple Assembly of God

**Central Campus:** Our original campus, located on the Westside of Jacksonville; we are one church in 2 locations.

**Southwest Campus:** Our Campus located in Middleburg, FL.

**Promo Trips:** These are Evangel Temple College trips to different events and churches. A team of students and staff will go to these events and churches and talk about Evangel Temple College and all God is doing through the college and church. The point of the promo trip is not only to let the youth know Evangel Temple College is out there, but also to serve the communities we visit with loving hearts.

**Outreaches:** Much like promo trips, Evangel Temple College sends a team of students and staff to events and churches. The point of outreaches is to be the hands and feet of Christ. Promo trips are mostly for getting the school name out there, while outreaches focus on serving the communities visited. Each outreach is unique, whereas, on one outreach we might bring a worship team, and at another we are just serving the leaders in this area.

**Practicum:** This is the hands-on leadership experience for our students. The students' practicum is their preferred area of ministry where they get to dive head first into every aspect of their area of ministry. Practicum is much more than a class; it is the first building block to becoming connected to Evangel Temple.

**College Days:** These are scheduled days for high school students to tour our campus and spend time getting to know what the college is

about. During this time, Evangel Temple college students will host the visitors and give them the full Evangel Temple experience.

**Community Night:** A night for Evangel Temple college students to come together for fellowship and fun. These will be on Thursday nights.

**Winter Boom:** Once students return from Christmas Break, they celebrate just like they did at the beginning of the school year. There are games, food, and fun for students to enjoy as they ease back into the school setting. It is a great time to reconnect with friends they have been away from, and meet the new spring students who may be just starting their college year.

**Kidztown:** Evangel Temple Kidztown is the ministry for children starting as an infant in the nursery through 5<sup>th</sup> grade. The different age groups are broken up into age appropriate services where the children can learn the same material, but in a way they will understand.

**Realife 6.8 and 9.12:** The youth ministry of Evangel Temple. Students grades 6-12 come together to seek God and have age appropriate services. 6.8 students meet on Sunday morning and is designed for 6<sup>th</sup>- 8<sup>th</sup> graders. 9.12 is for the youth in the 9<sup>th</sup>-12<sup>th</sup> grades and services/small groups are every Wednesday night.

**Realife 19.29:** The young adult ministry of Evangel Temple. Services are the first Friday night of the month at Central campus and ReGroups are the 1<sup>st</sup> and 3<sup>rd</sup> Wednesday night of the month.

**Fall Festival:** This is Evangel Temple's way of providing a safe fun-filled day of candy, games, and the Gospel to children in the Jacksonville.

**Easter Eggstravaganza:** An annual Easter egg hunt for children to join in on the Easter fun. They provide many fun options for the children and family to experience as they come in for the egg hunt.

**God and Country:** Evangel Temple's annual 4<sup>th</sup> of July celebration. There are many fun activities, baptisms, service and a firework show to end the night.

**Life Groups/ ReGroups:** Where a group of people come together to seek God and do life together. They are mini Bible studies with other members of the church that help a mega church seem smaller.

**Life Group/ ReGroup Leader:** Each Life Group has a leader who is in communication with the church. Each Life Group is known by the church and has a representative or head of the group that stays in communication with the church. In the Life Group, he or she is the go-to individual.
